

Small Group Discussion Questions

Direction: Find your other small group members based on the colored dot on your nametag. You will have about 15 minutes to work on these questions, after which we will discuss answers as a larger group.

Small Group Questions (Come up with 2-4 answers as a group and choose one person to write the responses on the back of their form)

1. In what ways can the staff of ReWild Mission Bay make sure that your constituents voices are heard throughout the process?
 - a. How can we make sure people feel included?
 - b. How can we make it clear that their input is valued/being recorded?
2. What uses/facilities/services are most important to your group for this area of MB?
3. Is there anything in particular you know your group is concerned about in relation to planning processes occurring in this area?

Individual Questions (Answer as a representative from your particular group)

1. What is your name and your organization?

2. How do you see your group able to help the project? (e.g., getting the word out, providing meeting places/venues, technical input, etc.)

3. What is the best medium to reach your organization? (e.g., Email blasts? Fliers? Tabling?)
