

ReWild Mission Bay

PUBLIC WORKSHOP #2

WELCOME

What is ReWild Mission Bay?

With ReWild Mission Bay, San Diego Audubon is facilitating a three-year planning process that includes collecting community input and exploring options to restore wetlands along Pacific Beach Drive on both sides of Rose Creek.

By May 2017, this process will yield at least three versions of a community-informed, scientifically defensible wetlands restoration plan for the northeast corner of Mission Bay.

Next steps will include preliminary design, environmental review, final engineering, permitting, and, ultimately, restoration of the area's wetlands.
